

HERE'S HOW TO ORDER BY MAIL

1. Read our brochure, then decide which style of hearing aid you prefer (choice of In-The-Ear, Behind-The-Ear, or the Body Aid). Also let us know which specific model you would like.
2. Fill out both sides of the Hearing Loss Questionnaire completely. Be sure to sign the questionnaire or an instrument cannot be sent.
3. Enclose your audiogram (hearing test) if you have one. Prepayment of postage and handling is required (\$20 for overnight delivery where available), \$13 priority or \$9.95 for standard (International postage varies by location.).
4. Return filled out material to us by mail or FAX (815-964-8378). Our licensed, certified dispensers will evaluate your hearing loss and confirm which model aid will best fit your individual hearing loss.

WE WILL THEN SEND YOU A LLOYD INSTRUMENT FOR A 45-DAY TRIAL

Everything necessary for your trial (batteries, eartips, instructions) will be included with your order at no extra charge.

SPECIAL INSTRUCTIONS FOR ALL-IN-THE-EAR INSTRUMENT ORDERS:

Follow above instructions. When your order is received, we will send you impression kits (at no charge). You can easily make an impression, or cast of your ear...tens of thousands of our customers have done this over the years. Or if you have an older instrument that fits well, we can use that for the impression. Either of these is necessary for a custom-fitted hearing aid.
