

CIELO™

“It’s just
right.”

Everything you need.
And more.

Siemens Hearing Instruments
Better hearing is better living.

SIEMENS

Hearing
instruments
that give you
everything
you need to
live life to
the fullest.

More advanced features.

More convenience.

More comfort.

More value.

A group of people are lying in a large pile of autumn leaves. They are all laughing and smiling broadly, conveying a sense of joy and carefree fun. The scene is captured from a high angle, looking down at the group. The leaves are in various shades of yellow, orange, and brown. The people are wearing casual, warm clothing like sweaters and jackets. The overall atmosphere is bright and cheerful.

CIELO.

It's just
right.

More features.

CIELO™ is fully equipped with an array of advanced features usually found only in higher-end hearing instruments. Features like digital noise reduction that automatically reduces annoying background noise. Phase cancellation that reduces or eliminates unwanted feedback. It even has an AutoPhone feature, available for most custom and BTE models, that makes using the telephone easier than ever. CIELO uses the best technology to make your life better.

More comfort.

We know hearing comfort is critically important to you. That's why CIELO was specially designed to provide the most comfortable and enjoyable hearing experience in its class. Featuring an adaptive directional microphone system option for improved speech understanding — especially in listening situations with moving background noise. CIELO is also brimming with convenience features, like alerting tones to remind you when it's time to change batteries and a wind noise reduction feature on directional models for better performance outdoors.

More styles.

You'll like the way CIELO fits your life. It's available in custom and BTE (Behind-the-Ear) styles, including open fit designs to fit virtually any hearing need. And CIELO comes in a broad selection of colors to blend with a wide range of skin and hair tones.

Add it up! CIELO gives you everything you need — and more. More value, features, comfort, and performance for a superior hearing experience.
